Source Box

Login displays your "dashboard"

The screenshot shows the FamilySearch login dashboard. At the top, the FamilySearch logo is on the left, and navigation links for Messages, Volunteer, and Get Help are on the right. Below the logo, there are links for Family Tree, Memories, Search, and Indexing. The user's name, Dennis Hogan, is displayed on the right. A Help Others link is also visible.

The main content area features a family tree diagram with several nodes. Each node has a profile picture and a name, followed by an 'Add Husband' or 'Add Wife' button. The nodes are connected by lines, showing a family structure.

On the right side of the dashboard, there are three main sections:

- Recommended Tasks**: A section with a red header and a dropdown arrow.
- Recent Ancestors**: A section with a blue header and a dropdown arrow.
- To-do List**: A section with a green header and a dropdown arrow. It includes a text input field labeled 'Add an Item...' and an 'Add' button.

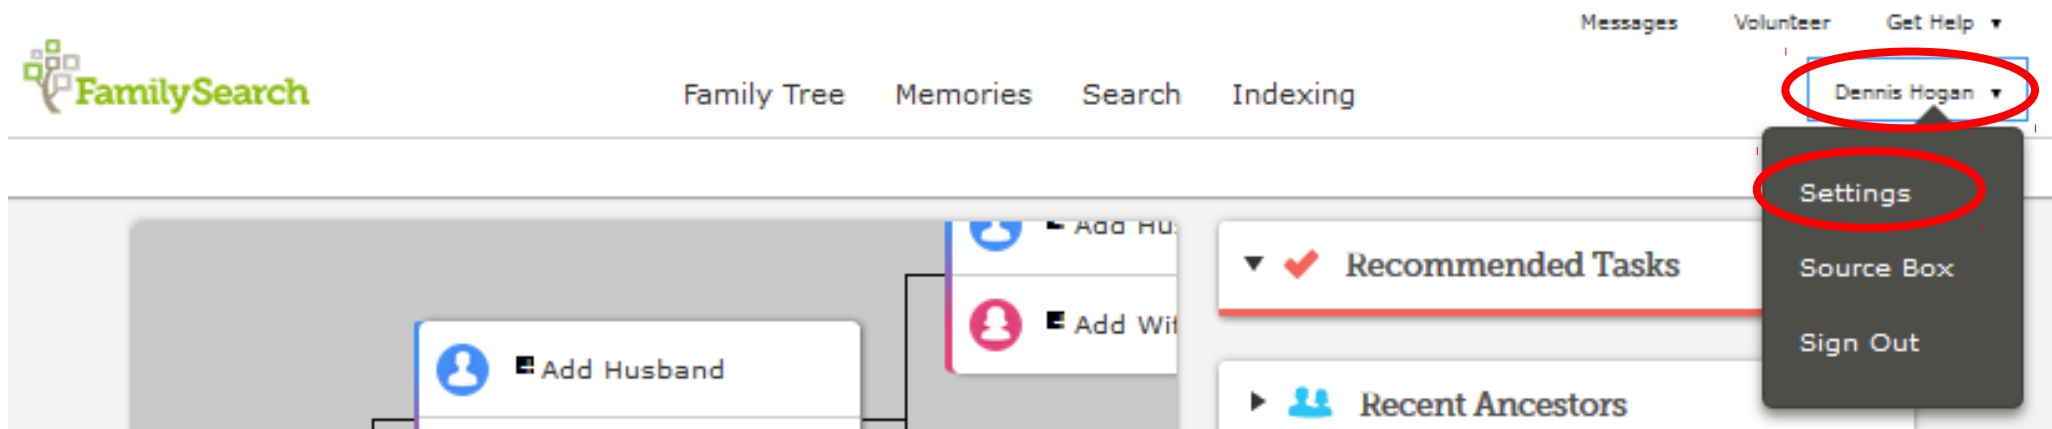

Below the family tree diagram, there is a section titled 'Get Started by Expanding Your Family Tree'. It contains the text: 'By adding family members to FamilyTree you will be able to see any information we may have about your ancestors.' Below this text is a link: '? Why aren't my family members already in Family Tree?'. At the bottom of this section is a blue button labeled 'Add Family Members'.

At the bottom of the dashboard, there is a section titled 'Customize Your Family Tree'. It features a large image of a hand holding a piece of paper with a family tree diagram. The text 'Customize Your Family Tree' is overlaid on the image.

On the right side of the dashboard, there is a section titled 'Capture Your Family Stories'. It features a large image of a woman and a young boy looking at a book. Below the image is a blue button labeled 'Learn More'. At the bottom of this section are links for 'Previous' and 'Next'.

Historical Records - Search Tips

- Try 1 collection rather than overall search
- Start with minimal info, then add
- When using a date, use a range - not exact
- Search for surname only & location
- **Search for given name only & location**
- Search with no name plus location, date, etc.
- Think about initials, middle names, & nicknames
- Use wildcards

Wildcard Sidebar

- Search boxes throughout FamilySearch accept wildcards
- * = 0 or more characters
- ? = exactly 1 character
- A wildcard can be at the beginning, middle, or end of a search string & can be combined
- Ex: To find O'Shaughnessy, *Sh*n?s*y
